

## Three Teachings on Sexuality that You Will find Useful:

In a time when most churches will not touch these issues – especially not to teach deeply on them from the pulpit on Sunday morning - you will find the LINKS below to these three-teaching encouraging and helpful to share. I **can hardly endorse them strongly enough**. They truly fit the definition of *Truth and Grace*. They are easy to understand yet profound. A trusted friend sent these to me from [Christ Church of the Valley \(CCV\) in Phoenix](#).

*The Sexual Revolution* by Lead Pastor, Ashely Woolridge at CCV starts with a message *How Did We Get Here* as he explain the history, even before the Sexual Revolution of the 60's, how we got here and some of the philosophical leaders. In his first message, he talks about two books that he found foundational. *The Rise and Triumph of the Modern Self* (Truman) – I don't think you can understand today's culture without it. The second is *Love Thy Body* (Nancy Percey)

The third message is done by Sam Allbery, a guest speaker. Sam has been a single, man with same-sex attractions – living in obedience to God as a believer for 30 years.

Please, take time to watch these, pass them on to friends and save them.

- The **first** one was [The Sexual Revolution: How Did We Get Here](#). Done with great grace but very to the point.
- The Second – [Sexuality: A Biblical View of Gender Dysphoria and the Transgender Movement](#). What is the world's view of personhood?
- The Third Sept. 24<sup>th</sup> [Why Does God Care Who I Sleep With? Guest Speaker Sam Alberry](#)
