

Understanding Our Times and the Biblical Path Forward

Nov. 2024

Greetings Del Tackett fans. I hope to put this on our web page soon but I think that this will help you review or even show this to others. These were done earlier and streamed to an audience. **KEEP IN MIND** that there is a lot in these that Dr. Tackett did not get to in Billings and remember also that we were blessed to have him for a longer period than anyone else in America. I think these are all working. NOTE that Part 2, the video is miss-labeled as part 1. I had hoped to get this out earlier. However, three weeks ago, Google destroyed hundreds of my email addresses. Just last night, I got some of them back. Hundreds are still missing.

Blessings to all,

Dick Pence – rapence45@gmail.com. Cell 406-672-9207
